ORDER THEREON.—When houses are newly built in Bechirakh villages or new villages formed, and when the revenue derived from the villages is considerable, Government will be prepared to grant Inams for the village servants and the maintenance of Pagodas therein built, on a moderate scale. The Deputy Commissioner of Hassan is requested to report (1) how many houses there are in the village under notice, (2) the area and assessment of lands available for cultivation, (3) the area and assessment of lands now under occupation, (4) the area of gomal land, (5) the cost of the temple newly built therein, (6) the existing emoluments of the village servants, if any, and (7) what grant for the temple and village servants would be fair.

2. Government also consider that the assessment of all Pagoda and charitable Inams resumed for the non-performance of service, should be credited to the Muzarayi Funds, in view to their being appropriated for any new grants made. The Muzarayi Superintendent is requested to make enquiries and report, the area and assessment of all religious and charitable Inams resumed within the last 12 years in each District.
